

BeeTrade Terms of Service

Version: 1.0

Last Updated: January 5 2026

These Terms of Service (“**Terms**”) govern your access to and use of the websites, applications, APIs, ChatGPT integrations, and related products and services (collectively, the “**Service**”) operated by **BeeTrade Technologies, Inc., together with its subsidiaries, affiliates, and related entities** (“**BeeTrade**,” “**we**,” “**us**,” or “**our**”).

By accessing or using the Service, you agree to be bound by these Terms. If you do not agree, do not use the Service.

IMPORTANT NOTICE

THE SERVICE IS SOFTWARE ONLY.

BEETRADE DOES NOT PROVIDE INVESTMENT ADVICE AND DOES NOT ACT AS A BROKER, DEALER, ADVISER, OR FIDUCIARY.

THESE TERMS CONTAIN A BINDING ARBITRATION AGREEMENT AND CLASS ACTION WAIVER (SEE SECTION 16). PLEASE READ CAREFULLY.

1. Eligibility

You must be at least **18 years old** (or the age of majority in your jurisdiction) and legally capable of entering into these Terms. You represent and warrant that your use of the Service complies with all applicable laws and regulations.

2. The Service

BeeTrade provides **software and technology tools** that allow users to:

- interact with AI agents for market research, technical analysis, and strategy generation;
- create and backtest trading strategies;
- optionally connect third-party brokerages, exchanges, or venues;
- submit trade instructions **only with explicit user confirmation**.

The Service may change, be interrupted, suspended, or discontinued at any time.

3. Software-Only Platform; No Investment Advice

3.1 No Investment Advice

BeeTrade does **not** provide investment, financial, tax, accounting, or legal advice. Nothing on the Service constitutes a recommendation, solicitation, or endorsement to buy, sell, or hold any asset or financial instrument.

AI-generated content is **informational and educational only** and may be inaccurate, incomplete, or outdated. You are solely responsible for evaluating all outputs before acting.

3.2 No Broker, Dealer, or Fiduciary Role

BeeTrade does not operate as a broker-dealer, investment adviser, commodity trading advisor, exchange, clearinghouse, wallet provider, or wagering service provider, and does not act as a fiduciary.

4. Trade Execution, Custody, and Third Parties

4.1 Trade Execution

Where the Service enables you to place trades:

- BeeTrade **does not execute trades as a principal or market participant**;
- BeeTrade **does not exercise discretionary control** over your account;

- trade instructions are transmitted **only at your direction and with your explicit confirmation**;
- execution, pricing, fills, settlement, and clearing are performed by third-party providers under their own terms.

4.2 No Custody

BeeTrade **does not hold, custody, or control customer funds or assets** at any time.

4.3 Third-Party Providers

Your relationship with any brokerage, exchange, prediction market, data provider, or other third party is solely between you and that provider. BeeTrade is not responsible for:

- execution failures or delays;
- pricing, liquidity, slippage, or margin requirements;
- data errors, outages, or inaccuracies;
- insolvency, misconduct, or regulatory actions affecting third parties.

5. User Responsibility and Compliance

You are **solely responsible** for:

- complying with all applicable laws and regulations in your jurisdiction;
- obtaining required licenses, registrations, approvals, or permissions;
- understanding and managing trading, operational, tax, and regulatory risks;
- conducting due diligence on third-party providers;
- implementing appropriate risk management and compliance procedures.

BeeTrade makes **no representation** that any trading activity is lawful in your jurisdiction.

6. Accounts and Security

You are responsible for maintaining the confidentiality of your account credentials and all activity under your account.

You agree **not to share passwords, API keys, private keys, or MFA/OTP codes** in chat or elsewhere. If you believe your account or credentials have been compromised, you must immediately revoke access and notify the relevant third-party provider.

7. Acceptable Use

You agree not to:

- violate any applicable law or regulation (including securities, commodities, or market-manipulation laws);
- engage in fraud, deception, or abusive trading practices;
- interfere with or disrupt the Service or its infrastructure;
- scrape, reverse engineer, benchmark, or build competing products using the Service;
- upload malware or malicious code;
- infringe intellectual property, privacy, or proprietary rights.

BeeTrade may suspend or terminate access at its sole discretion.

8. User Content and AI

8.1 User Content

You retain ownership of content you submit. You grant BeeTrade a worldwide, non-exclusive, royalty-free license to process such content **solely as necessary** to operate, secure, and improve the Service.

8.2 AI Outputs

AI outputs are probabilistic and may be incorrect. **You assume all risk** arising from reliance on AI-generated content.

8.3 Model Improvement

You agree that BeeTrade may use prompts, outputs, logs, and related data to operate and improve AI systems, as described in the Privacy Policy.

9. Fees and Subscriptions (If Applicable)

Paid features, billing cycles, renewals, and refunds (if any) are governed by the pricing and terms presented at purchase. Fees are non-refundable unless required by law.

10. Market Data Disclaimer

Market data and third-party content are provided **“as is”** and may be delayed, inaccurate, incomplete, or unavailable. BeeTrade does not warrant the accuracy or timeliness of any data.

11. Disclaimers

TO THE MAXIMUM EXTENT PERMITTED BY LAW:

- THE SERVICE IS PROVIDED **“AS IS” AND “AS AVAILABLE”**;
- BEETRADE DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT;
- BEETRADE MAKES NO WARRANTIES REGARDING LEGALITY, REGULATORY COMPLIANCE, PERFORMANCE, OR PROFITABILITY.

12. Trading and Algorithmic Risk Disclosure

Trading—including algorithmic and leveraged trading—involves substantial risk, including rapid losses and loss of all capital. Risks include, without limitation:

- strategy design or logic errors;
- AI hallucinations or incorrect outputs;
- software bugs or code defects;
- internet, exchange, or API connectivity failures;
- market volatility and extreme events;
- data inaccuracies or delays;
- execution failures, rejections, or partial fills;
- regulatory or exchange intervention.

Past performance and backtests are not indicative of future results.

13. Platform Interruption, Errors, and Security Events

13.1 Platform Risks and Interruptions

You acknowledge that the Service may experience interruptions, delays, degradation, errors, or failures, including but not limited to software bugs, AI or code generation errors, server outages, cloud provider failures, maintenance events, latency, synchronization issues, partial executions, duplicate or missed orders, force majeure events, or third-party service disruptions.

13.2 No Liability for Technical Failures

To the maximum extent permitted by law, BeeTrade shall have **no liability** for any losses, damages, costs, or consequences arising from or related to any interruption, suspension, degradation, or failure of the Service, including trading losses, missed opportunities, execution anomalies, or data loss, whether caused by internal systems, third-party services, or external events.

13.3 Security Events

While BeeTrade implements reasonable security measures, **no system is completely secure**. BeeTrade shall not be liable for losses arising from security breaches, cyberattacks, unauthorized access, account compromise, or data exposure, except to the extent required by non-waivable applicable law.

13.4 User Duty to Monitor

You are solely responsible for monitoring your strategies, accounts, positions, and exposure, and for taking timely action to mitigate losses, including disabling trading, revoking access, or closing positions when necessary.

14. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW:

- BeeTrade shall not be liable for indirect, incidental, consequential, special, or punitive damages, including trading losses or lost profits;
- BeeTrade's total aggregate liability shall not exceed the greater of **USD \$50** or the fees you paid BeeTrade in the **three (3) months** preceding the event giving rise to the claim.

Some jurisdictions do not allow certain limitations; in such cases liability is limited to the maximum extent allowed by law.

15. Indemnification

You agree to indemnify and hold harmless BeeTrade and its officers, employees, and affiliates from any claims, damages, losses, liabilities, and expenses (including reasonable attorneys' fees) arising from:

- your use of the Service;
- your trading activity;
- your violation of these Terms or applicable law;

- your User Content.

16. Arbitration and Class Action Waiver

16.1 Binding Arbitration

Any dispute arising out of or relating to these Terms or the Service shall be resolved by **binding arbitration on an individual basis**, except where prohibited by law.

16.2 Waiver of Jury Trial and Class Actions

YOU WAIVE THE RIGHT TO A JURY TRIAL AND TO PARTICIPATE IN A CLASS OR REPRESENTATIVE ACTION.

16.3 Governing Law

These Terms are governed by the laws of the State of **Delaware**, excluding conflict-of-law principles.

17. Termination

BeeTrade may suspend or terminate access at any time for legal, security, or business reasons. Provisions that by their nature should survive termination shall survive.

18. Changes to the Terms

We may update these Terms from time to time. Continued use of the Service after changes become effective constitutes acceptance.
